

Iraq Gate Legal Consulting, Inc.

Iraqi law and in-country execution for U.S. government missions and contractors in Iraq

Company Overview

Iraq Gate is a U.S. company headquartered in Illinois with an operating office in Baghdad. Every advisor on the team is admitted to the Iraqi bar. We give U.S. agencies, prime contractors and multinational energy companies one accountable U.S. counterparty for Iraqi legal work and on-the-ground execution: registrations, permits, tax and customs, procurement, disputes and Arabic legal documentation.

Core Competencies

- **Iraqi regulatory and licensing.** Company and foreign branch registration, investment licensing, sector permits and renewals, filed in person by our Baghdad team.
- **Iraqi tax and customs.** Withholding at source for foreign contractors, tax clearance certificates, import procedures and exemption applications.
- **Iraqi public procurement.** Ministry of Planning standard bidding documents, public contract execution rules, performance guarantee release, and counterparty debarment screening.
- **In-country access and liaison.** Engagement with ministries and state companies, land and property transfer, and official correspondence.
- **Disputes and arbitration.** Commercial claims and recovery before Iraqi courts, with principal-level ICC and ICSID arbitration experience.
- **Arabic legal documentation.** Arabic/English legal translation, certification and review of contracts, decrees and official instruments.

Past Performance

- **Upstream oil and gas operator (Gulf-based).** Completed registered-vendor onboarding and compliance qualification for Iraq-related legal services.
- **Iraqi commercial group.** Current engagement: dispute recovery against affiliates of a major U.S. oilfield services company.
- **Iraqi political organization.** Current engagement: FARA compliance program support, delivered in coordination with U.S. counsel.
